

At no added benefit cost, our medical plans include these solutions designed to address the total cost of care while focusing on the whole health of your employees.

Further protect your employees' whole health and financial security with these optional solutions:

CONDITION MANAGEMENT

Our high-quality care teams and vendors provide members with the tools and solutions for success.

CARE DELIVERY

Member-centric choices for non-emergency care are convenient, lower cost and personalized to members' individual needs

BEHAVIORAL HEALTH CARE

For whole-person mental health or substance use concerns, members have several convenient ways to get confidential help at no additional cost.

CARE NAVIGATION

Members with complex conditions get answers to help them choose a care path, ensure necessary and efficient treatment with minimal cost and optimal outcome.

COST CONTROL

Proactively guides members to choose cost-effective providers for non-emergency services, creating benefit and out-of-pocket cost savings.

PHARMACY SERVICES

Included programs ensure members receive safe, appropriate and high-quality medications while keeping costs down.
